1964

7 October	The material difficulties are aggravated	1
	One must have endurance	1
	Pessimism of the material consciousness	2
	Matter to be transformed, not annulled	3
	Call of the cells	3
	Cells: a will to keep together	4
	Power of rejection in the cells	5
	Inertia not a quality essential to Matter	5
	Mental constructions block receptivity	6
	No need of formula of a Divine	6

1965

12 January	Bombardment by adverse forces	8
	“No right to exteriorise myself”	8
	Body must change from within	9
24 March	Experiencing origin of inspirations and movements	10
	Teach body to remain immobile	13
	Aspiration and acceptance of supreme will in the cells	14
	Cells experiencing transition	14
	Physical yoga	15
21 August	Transfer of power	16
	Organisation of material mind	16
	New way of perceiving	17
	Organisation of material mind	18
	Physical mind and material, cellular mind	18
	Critical period during transfer of power	20

Contents

27 November	Pulling at the Supramental	22
	The vital and the Truth	23
	Vision of humanity and the new creation	24
	Effort of transformation reduced to small number	25
	Humanity under the supramental influence	26
	Period of transition painful	26
	Impatience to “prepare” humanity has disappeared	27
	Superior humanity with a human harmony	27
	No stress for premature transformation	28
	Sex, food and beings of transition	28
	Body not ready to exist without food	29
	Each one is what he must be	29
	1966	
22 January	Experience of life as expression of choice	30
	Unreality of necessity and fatality	30
	Illusion of life	31
	Power to change circumstances	32
	Transition to conscious functioning of the body	33
	Habits of thousands of years to be changed	33
	Acting on difficulties of the world	33
18 May	LSD experiences	35
	Subjectivity of vital images	36
	Man’s relation with other worlds and beings	37
	Man: potential master of all states	38
	Man and the gods	38
	The Supreme is the one reality	39
28 September	Suffering pulls Matter out of inertia	41
	Intensifying aspiration of the cells	41
	True use of thought	42
	Divine compassion	42
	Suffering, progress and transforming action	43

Contents

	The content of Ananda	43
30 September	References to physical transformation: a letter of Sri Aurobindo	45
	Passage from man to new physical being	46
	Transformation not isolated from the world	51
	Safety of the new beings	52
	Spontaneous immortality not possible for present	53
	 1967	
11 January	Without ego, feeling of insult impossible	54
	Physical reaction to injury	54
	Ego as an impersonal entity	55
	Mother and the actions of others	56
	The Lord laughs	56
21 January	The cells are becoming conscious	57
	Perception of true Matter	58
	Replacing the physical ego	58
	The body no longer resists	59
4 March	Approaches to transformation	60
7 March	Death	61
	After death: contact with physical life	62
24 May	Defining the Divine	64
	Defining God	67
24 June	Transition to a body moved by divine Presence and Consciousness	69
	Transformation of man, or a new being?	71
	Intermediary beings	72
	Weight of habits, pessimism, earth atmosphere	73

Contents

	Battle fought in the body	74
	Material contagion	74
26 August	The “good” and the True, the Truth	75
	Realisation of the supreme vision in the mixed material world	75
	Man’s vision is incomplete	76
	Progressive manifestation	76
	Suffering: progress in the presence of Inconscience	76
	Progress in joy and harmony	77
30 August	Experience in a place where material life gets re-organised	78
	Translation and memory of subtle experiences	80
	Madness and insincerity	81
	Changing matter	82
	The condition for transformation	83
15 November	Matter as it is and divine existence	84
	Inconscient must become conscious in divine way	85
	Too rapid manifestation would dissolve earth	85
	This instrument made to realise, not reveal	86
	No stopping to tell the story	87
	New Christs, Kalkis, Supermen	87
	Aspiration in central consciousness of body	88
	Cells feeling of living in eternity	88
	The obscure work	89
22 November	Prayer of the cells of the body	91
	Now the body wants to participate	92
	What is done in a single body can be done in all bodies	92
	Awakening consciousness in the cells	93
	A bodily consciousness independent of the vital and mental	93

Contents

	Physical (material) mind converted	93
	Mind and vital withdrawn	94
	Body to become base for divine life	95
	Change in consciousness of body far from manifesting externally	95
	Material cells must receive and manifest consciousness	95
	Stages in transformation	96
	Superhuman being may pass unperceived	96
	Artists and musicians: independent body consciousness	98
	It is the body that aspires	98
	Body rebuilt as a conscious being	99
	Body has direct contact without any intermediary	99
	Capacity to pass experience on to other bodies	100
	Conversations among the cells	101
29 November	Feeling of being a different person at each Darshan	102
	Single consciousness can manifest in two bodies	104
	Many beings, forces, personalities manifest through this body	104
	Darshan of the 24th November	105
30 December	Governance of body: intelligence replaced by spiritual consciousness	106
	Laws of nature have lost their despotism	107
	1968	
13 March	Only That exists	108
	In the material consciousness knowledge brings power	109
	The “why” of suffering and evil	109
	The person	110

Contents

16 March	Creation of equilibrium	111
	Separations	111
	Fusion of opposites	111
	Realisation for which universe created	112
	Frailty of and eternity of the form	113
22 August	Seeing people	115
28 August	Onrush of a new creation	116
	Visions of the future world	117
	Questions by the body about Matter	119
	Cells want contact with the true being	120
	Penetration of supramental forces into the body	122
	Mental and vital: passing instruments for grinding Matter	124
	Perception of soul states	125
	Most wonderful hours that one can have on earth	126
	Vision of temples with living deities	126
	Body experiences all states of consciousness	126
25 September	Self-deception in good faith	128
	Psychic cannot deceive, but lacks mental precision	129
	Each acts according to his own limited consciousness	129
	Problem of identification with the Supreme	129
	Supramental being essentially different	130
	Direct contact of psychic being with substance of the body	130
	Valuation of vibrations	130
	Mental precision, vital intensity and the Supramental	131
23 November	Everything pervaded by divine presence	132
	No new religions	133
	Separation	133

Contents

	“I have lived all the horrors of creation”	134
	Changing the physical fact	135
	Concentrating the Presence when seeing people	136
	Notion of “descent”	137
	There is nothing but the Lord	137
27 November	The body’s knowledge through consciousness	139
	Surrender of the body	140
	What has caused separation?	140
	Suffering and Ananda	141
21 December	Mind and vital eliminated	143
	The body left to itself	143
	Rapid reversal of consciousness in the body	144
	Can one body be transformed alone?	145
	Time needed for collective change	146
	Possibility of sudden change	146
	Fragility simultaneous with feeling of eternity	146
	Wonderful moments, hours of suffering	147
	1969	
1 January	Superman consciousness	148
4 January	Superman consciousness: smiling, benevolent	149
8 January	Superman consciousness identified	153
18 January	Superman consciousness: a mentor and protecting power	154
15 February	Superman consciousness: a mentor of the body	157
	Superman consciousness: no half measures	159
22 February	The immobility of the Inconscient	161

Contents

17 May	Individuality and separation	165
	Body experiences all states of consciousness	165
	Next step of creation: return to the True Consciousness	166
	State of being automatically one with Supreme Consciousness	168
24 May	Body knows that death is no escape	169
	The “why” of suffering	170
	Perfect acceptance	172
28 May	Only solution: direct contact of the physical with the Supreme	173
	The body has taken its stand	173
31 May	Auroville	174
	Confusion in the world	175
	Body experiencing the misery of the world	176
	Misery of the world: beyond the Buddhist solution	177
	Earth is in this unreal Falsehood	178
	Hell: an image of this state of consciousness	179
	Escape worth nothing: solution here	179
	Falsehood concentrated on earth	180
	Experience of the unreality of life	181
	Glorious body	182
4 June	Glorious body	183
16 August	The confusion is there to teach us	184
	The exact indication of what to do	185
1 October	Constancy of the physical	189
18 October	Body too used to obeying mind	191

Contents

	191
“My mind has been sent away”	191
Body’s passivity needed to receive the force	192
